Harbor Records: Exact Place, Date, Supported Claim

Tracking #: 2026-10-30-EMM-SOC-HARBOR-RECORDS-41 · Scan BOTH pages after answering

> **Source/data for this class:** Source A — East Dock cargo ledger, May 6, 1915: 22 fruit crates and 14 tool boxes unloaded. Source B — Harbor Gazette, May 8, 1915: workers were told to stack heavy boxes on the lower shelf. The article does not report any accident count or outcome.

1. Identify Source A by exact place, source type, and date.

2. Write two exact facts from Source A with the citation context.

3. Identify Source B, its date, and the instruction it reports.

Harbor Records: Exact Place, Date, Supported Claim

Tracking #: 2026-10-30-EMM-SOC-HARBOR-RECORDS-41 · Scan BOTH pages after answering

> **Source/data for this class:** Source A — East Dock cargo ledger, May 6, 1915: 22 fruit crates and 14 tool boxes unloaded. Source B — Harbor Gazette, May 8, 1915: workers were told to stack heavy boxes on the lower shelf. The article does not report any accident count or outcome.

4. Explain why “The rule prevented every accident” is unsupported.

5. Rewrite that claim so it matches only the supplied evidence.

6. Write three sentences comparing the sources and their limit, then add one precise question a new source must answer.
