Four Boxes: Inside Every Group or One Extra?

Tracking #: 2026-11-12-EMM-MATH-GROUP-OR-EXTRA-45

Fictional classroom supply order

Order	Boxes	Inside each box	Outside all boxes
A	4	3 markers	2 spare markers
B	4	3 markers + 2 pencils	None
C	5	2 erasers	3 spare erasers

1. Draw and label Order A with all four boxes and the two loose markers. Write the expression and total.

2. Draw and label Order B with every item INSIDE the boxes. Write parentheses, expression and total.

3. For Order C, draw five groups plus three spare erasers. Calculate the number of erasers.

Four Boxes: Inside Every Group or One Extra?

Tracking #: 2026-11-12-EMM-MATH-GROUP-OR-EXTRA-45

Fictional classroom supply order

Order	Boxes	Inside each box	Outside all boxes
A	4	3 markers	2 spare markers
B	4	3 markers + 2 pencils	None
C	5	2 erasers	3 spare erasers

4. A student wrote 4 x (3 + 2) for Order A. Explain in two complete sentences which quantity was repeated by mistake and give the correct total.

5. Invent your own box story with three boxes, four objects in each and two extras outside. Show a labeled drawing and a correct expression.
