# Bus-Stop Survey: Write the Claim’s Limit

**Tracking #: 2026-11-12-NAT-LA-BUS-STOP-45**

**Two fictional sources: transit notice and a rider survey**

| Source | Text or result |
|---|---|
| A: city notice | Shelter planned to open December 3, north stop |
| B: Tue north-stop survey | 12 riders answered a question about benches |
| B: benches | 7 yes, 3 no, 2 unsure |

**1. Write one sentence stating EXACTLY what Source A announces and which stop it names.**

2. Write one sentence reporting how many Tuesday north-stop respondents favored benches. Name the full group and denominator.

3. Correct ’All city riders want new benches.’ Identify the overstatement and write a precisely bounded claim.

# Bus-Stop Survey: Write the Claim’s Limit

**Tracking #: 2026-11-12-NAT-LA-BUS-STOP-45**

**Two fictional sources: transit notice and a rider survey**

| Source | Text or result |
|---|---|
| A: city notice | Shelter planned to open December 3, north stop |
| B: Tue north-stop survey | 12 riders answered a question about benches |
| B: benches | 7 yes, 3 no, 2 unsure |

**4. Can Source A prove the shelter is already open? Give a two-sentence answer naming what the notice does and does not prove.**

5. Write a four-sentence information paragraph drawing one accurate fact from each source and stating one data limit.
