Park Hearing: Plans, Testimony and Source Limits

Tracking #: 2026-11-12-NAT-SOC-PARK-HEARING-45

Fictional neighborhood park hearing records

Source	What it says
A: public notice	Meeting scheduled Nov 18 at 6 p.m., Park Hall
B: sign-in record	24 names signed on Nov 18
C: one visitor	'I like the proposed walking path.'
Missing	No vote tally or attendance census

1. Describe exactly what Source A establishes, naming the proposed place, date and time.

2. Write one bounded sentence using Source B's count, and explain in a second sentence why it is not a census.

3. State the most specific claim Source C supports and what it cannot prove about ALL park visitors.

B: sign-in record	24 names signed on Nov 18
C: one visitor	'I like the proposed walking path.'
Missing	No vote tally or attendance census

4. Correct this overclaim: 'The meeting made everyone support the path.' Name TWO unsupported steps.

5. Write a four-sentence source-based briefing that uses A, B, C and an explicit evidence limit.
