Creek Watch Notice (fictional)

Detail	Notice states
Meeting place	Creek bridge
Wednesday count	14 birds
Friday count	19 birds
Counting time	9:00 a.m. both days

1. Write two complete fact sentences from the notice. Use the exact count and day in EACH sentence.

2. Repair this fragment into a complete accurate sentence: 'At the bridge at 9:00 a.m.'
Write the repaired sentence and underline its verb.

3. Write one sentence stating how the count changed. Include both numbers and the size of the change.
