Independent Reading: How Setting Changes Events

Tracking #: 2026-11-11-EMM-READ-SETTING-44

Your current independent-reading book is the primary source

Reading goal	25 active minutes
Record	Book title; pages read
Evidence	Exact event/setting detail plus page
Writing	Complete sentences with evidence

1. Record your book title, starting and ending pages, and the time spent reading (at least 25 active minutes).

2. Describe the setting of a scene in two complete sentences. Name a specific detail and page number.

3. Name one event that happened in that setting. Quote no more than a few words; explain the event in your own words and give the page.

Independent Reading: How Setting Changes Events

Tracking #: 2026-11-11-EMM-READ-SETTING-44

Your current independent-reading book is the primary source

Reading goal	**25 active minutes**
Record	Book title; pages read
Evidence	Exact event/setting detail plus page
Writing	Complete sentences with evidence

4. Explain whether the setting helped or complicated that event. Give the page evidence that supports your connection.

5. Write one question you still have about the setting or story and state what later evidence would answer it.
