Garden Survey: Say Exactly Who Responded

Tracking #: 2026-11-11-NAT-LA-GARDEN-SURVEY-44

Fictional Greenhouse Visitor Survey, Saturday, east gate

Answer	Respondents
Garden tour	10
Plant workshop	4
Not sure	2
Total responses	16

1. Write one exact sentence about the garden-tour preference. Name the group, place, day and count.

2. Correct this claim: 'Everyone at the greenhouse wants a tour.' Identify the overstatement and rewrite it precisely.

3. Write two separate accurate sentences about plant-workshop and not-sure responses, with denominators.

Garden Survey: Say Exactly Who Responded

Tracking #: 2026-11-11-NAT-LA-GARDEN-SURVEY-44

Fictional Greenhouse Visitor Survey, Saturday, east gate

Answer	Respondents
Garden tour	10
Plant workshop	4
Not sure	2
Total responses	16

4. Calculate the tour share out of 16 respondents, expressed as a percent. Show division or equivalent reasoning and label the group.

5. Write a four-sentence neutral summary of the survey and one limitation of the data. Do not invent anything about people who did not answer.
