Independent Reading: Causes and Turning Points

Tracking #: 2026-11-11-NAT-READ-TURNING-POINTS-44

Your own book is the required source

Reading goal	**25 active minutes**
Record	Book and page range
Evidence	Event, consequence, page numbers
Check	Clearly distinguish fact from inference

1. Record book title, author, actual pages read and active reading minutes (at least 25).

2. Describe the first important event you read today and give its exact page reference.

3. Describe a later turning point and what changed afterward. Give page numbers for both parts.

Independent Reading: Causes and Turning Points

Tracking #: 2026-11-11-NAT-READ-TURNING-POINTS-44

Your own book is the required source

Reading goal	**25 active minutes**
Record	Book and page range
Evidence	Event, consequence, page numbers
Check	Clearly distinguish fact from inference

4. Write a cause-and-effect claim linking your events, or say why the source cannot prove the link. Support your answer with two page references.

5. State one plausible but NOT confirmed inference and exactly what additional passage would help check it.
